21. [ ] BRIEFING Per her earlier request, 25X1  
 called Gwen Pritchard, in the office of Representative Ike Skelton  
 (D., Mo.), and told her that we could not provide a briefing on policy  
 or legal implications of the Panama Canal Treaty but could brief the  
 Congressman on the reaction of the Panamanians and would be happy  
 to provide a breakfast briefing if they so desired. She will check and  
 call back. Tentative time and date for the briefing is 8:00 a.m., 25X1  
 Tuesday, 13 September 1977.

22. [ ] Called Bob Dockery, Acting Staff  
 Director, Senate Foreign Relations Committee, regarding the Department  
 of State's request to see the transcript of the AWACS briefing before  
 the Committee on 22 July. I reminded Dockery that we had already  
 obtained approval through Norvill Jones, Staff Director of the Committee,  
 for showing the transcript to Ambassador Sullivan (Iran). He authorized  
 us to show the transcript to State but requested that access to the  
 transcript be tightly controlled in State and that we report back the  
 names of those in State who read the transcript. I told him we would 25X1  
 do that.

24. [ ] LIAISON Called Mark Gitenstein, 25X1  
 Senate Select Committee on Intelligence staff, and said the earliest  
 I could set up a meeting for him with [ ] Deputy General 25X1  
 Counsel, is late next week. Gitenstein agreed to this and said that  
 David Bushong, also of the Select Committee staff, would also attend. 25X1

25. [ ] LIAISON Spoke with Cliff Fowler, GAO,  
 to arrange for review of the draft Memorandum for the Record he had  
 written on our [ ] briefing of GAO personnel on 29 August. Fowler 25X1  
 will hand deliver the draft tomorrow and is hopeful that the chronology  
 that they had requested would be available at that time. [ ] 25X1  
 O/SA/DO/O, was advised.
